Hi. I'm Noah and I live in Stockholm, Sweden. I live with my parents and my sister Agneta in a house by the river. My parents aren't strict but I have to make my bed and tidy my room. Agneta helps mum in the kitchen but I hate cooking! I usually lay the table and I sometimes wash the dishes but I never cook dinner!

Sweden is a beautiful country with hot summers and long, cold winters with lots of snow. The official language is Swedish but we learn English at school. Stockholm is a great city. There's a lot to do. There are some good shops and museums, and lots of restaurants and cafés. My favourite food is ice cream and I like going to the Kungstädgarden with my friends to eat ice cream. We often hang out by the river or meet in town. My favourite sports are football, skiing and ice hockey. I usually play ice hockey every weekend and in the winter I go skiing once or twice a week.
