TEENAGER SURVIVES CROCODILE ATTACK!

A teenager survived a dramatic crocodile attack _____.
16-year-old Shane Peters _____ his father , Clyde, in the yard at their home in _____, Australia.

It was really hot. "Dad, I'm going down to the _____ for a swim" Shane told his father. Shane_____ to the river, _____ off his clothes and _____in.
The river wasn't very deep at the side, so Shane started to swim out to the middle.
While he _____ he _____ a splash behind him, he looked around but he _____ anything; the river water was cold and Shane felt great, in the middle he turned around and _____ to swim back.

Shane kicked the crocodile hard and to his surprise the animal opened its jaws and let him go.

Shane _____ to swim to the side as fast as he could, but the crocodile was faster and _____ after him. The water wasn't very deep now and Shane _____ swimming and _____ up, he turned and there was the crocodile right in front of him, they _____ face to face. Before the crocodile _____ its huge mouth again, Shane punched it hard on the nose; the crocodile didn't move and Shane punched it hard again on the nose, to Shane's great surprise, the crocodile slowly turned and _____ away. Shane got out of the water as fast as he could, picked up his clothes and ran back to the yard.

Then he had a shock, a large crocodile_____ toward him; Shane thought quickly and then shouted "help dad, crocodile" Clyde heard his son, but thought he was kidding; "Come back here and do some more work" He shouted back.
"But dad" Shane began, but before he said anything more, the crocodile_____ his arm and _____ under the water.

His father_____ for him and looked at Shane's arm. "So, it was a crocodile. Quick, let's get you to the hospital"

At the hospital, they _____ the bites and Shane's arm and he returned home.

The next at school, everyone wanted to hear the story of the teenager who punched a crocodile.
