THE SUNSHINE SONG by JASON MRAZ

1. Circle the correct *possessive pronoun, possessive adjective or subject* to complete the sentences:

Well sometimes the sun *shines* on other people's houses and not **my/mine/I**.
Some days the clouds *paint* the sky all gray and it takes away **my/mine/I** summertime.
Somehow the sun keeps shining upon you, while I *struggle* to get **my/mine/why**.
If there's a light in everybody, send out **you/you're/your** ray of sunshine.

I want to walk the same *roads* as everybody else, through the trees and past the gates.
Getting high on heavenly breezes, making new friends along the way.
I won't *ask* much of nobody, **I'm/mine/line** just here to sing along.
And make **mine/my/I'm** mistakes looks gracious, and learn some lessons from **mine/my/why** wrongs.

CHORUS:
Well sometimes the sun shines on other people's houses and not **I'm/mine/my**.
Some days the clouds *paint* the sky all gray and it takes away **mine/my/I'm** summertime.
Somehow the sun *keeps* shining upon you, while I struggle to get **mine/I/why**.
A little light never *hurt* nobody, send out **you're/yours/your** ray of sunshine.
