Look at the pictures and match with words:

"I'm hungry and thirsty and need to sit down to rest my poor burning feet".

"Oh, Daisy, that's what my hump is for! I store loads of fat in this one!"

Daisy walked across the land.

"My feet are wide while yours are not".

"So, I think I'll be off to Peru where it isn't so hot".

"With my tough lips the plant won't hurt me the way it might hurt you".
