Hi Ela,

I'm really happy that you can come to Ireland and study at our school next month for the exchange programme. Here's some information for you:

Clonakilty Community College is a medium-sized school with about 500 students. It's in the centre of Clonakilty, in Ireland. Classes here start at 9 a.m. and finish at 4 p.m. There's a break at 11 a.m. and we have lunch at 1.20 p.m. Some subjects, like maths and English, are compulsory. Other subjects such as woodwork, business studies and languages are optional. I like languages, so I study French and Spanish. What are your favourite subjects?

Here's a photo of some students in my class. We're looking for information for a geography project. Maybe you can email me a photo of your class or your school.

Write soon,

Danny
