READING PRACTICE N°4 – II BIMESTRE

D. precisado: -Identifica información **sobre actividades en pasado** que se encuentra en lugares evidentes, en textos escritos, con vocabulario sencillo.

Read and complete the sentences.

Last weekend we went to London. We walked in the centre of the city and saw lots of cool places. When we got to Big Ben, I asked my brother to find his camera. I wanted a photo of us with the famous clock. We had fish and chips for lunch. My brother asked Dad to get the biggest chips! After lunch, we went to a big market and I asked Mum to buy some books for me. Then my rucksack was heavy, so I asked Dad to carry it. In the evening, we went to the cinema. I didn't know what film to watch and my brother didn't know. We asked Mum and Dad to choose. It was a really funny film and we had a great time. I loved London!
