Love Again

Alok Alida

When the sun goes _____, when the sun goes _____
It's been _____ days now with insomnia
Try to touch my skin but I feel nothing
I just _____ of you, don't know what to do

Clock is ticking out and I hear the sound
Like an empty soul playing all _____ long
And I move my feet but I feel nothing
I pretend to _____ but I cry inside

Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?
Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?

When the sun goes up, when the sun goes down
All the things I do to get rid of you
Try to make new _____, try to go outside
And I act okay but it's _____ the same

Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?
Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?

Tell me how
How baby, I need to _____, oh
Tell me how
How 'cause my heart's icy _____, oh

Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?
Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?

Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?
Tell me how will I-I-I ever learn-learn-learn
Learn to love-love-love-love again?
