Why don't we ...? *How about ...(-ing)?*
I think we should ... *Couldn't we ...?* *We could ...*

1 Someone has stolen a lot of expensive tools and equipment from your workshops in the last three months. It could be someone who works at your company or it could be the cleaning staff.
2 You want to avoid getting viruses in your computers.
3 You are worried about hackers breaking into your computer system and stealing company secrets.
4 One of your night-time security guards is very unreliable. He's often late and you think he sometimes falls asleep at work.
5 The police have warned you that a group of terrorists are planning to plant an explosive device in your factory / offices.
7 One of your company's engineers went abroad to install a machine and he was kidnapped. You have received a note from his kidnappers demanding $10,000,000.
