READING COMPREHENSION:

Read the text and do exercises A and B:

In 1900 my town was very different. It was smaller and safer but it was also dirtier and more boring. In the centre of the town, there were some shops, a bank and a library, but there weren't any hotels, museums or supermarkets. The nearest theatre was 56 kilometres away, and children played football in the street, not in a stadium. There were 13,000 people in the town and they lived in houses with small gardens.

Today the town is bigger. There are a lot of modem houses but you can see some older houses near the centre of town. There are also cafes, restaurants and an animal hospital. The town hasn't got a stadium but there's a sports centre.
