Name_____

1

- SPIN IT - ADD IT & SUBTRACT IT -

Spin the spinner. Write the number in the number column. Use mental math to figure out the answer for each column. If you spin a 5-digit number, you will not subtract 100,000.

NUMBER	+1,000	-1,000	+10,000	-10,000	+100,000	-100,000
23,459						
61,074						
858,985
