"You've Got A Friend In Me"

You've got a friend in me
You've got a friend in me
When the road looks rough
_____
And you're miles and miles
from your nice warm bed
You just _____
what your old pal said
Boy you've got a friend in me
Yeah you've got a friend in me

You've got a friend in me
You've got a friend in me
You got _____ and
I got 'em too
There isn't _____ I
wouldn't do for you
We stick _____, we
can see it through
'Cause you've got a friend
in me

You've got a friend in me

_____ other folks
might be a little bit smarter
than I am
Bigger and stronger too
Maybe
But none of them
Will ever _____
you the way I do
It's me and you
_____

And as the years go by
Our _____ will
never die
You're gonna see it's our
destiny
You've got a friend in me
You've got a friend in me
You've got a friend in me
