I got my driver's license last week
Just like we always talked about
'Cause you were so excited for me
To finally drive up to your house
But today I drove through the ……

Crying 'cause you weren't around

And all my friends are tired
Of hearing how much I miss you, but
I kinda feel sorry for them
'Cause they'll never know you the way that I do, yeah
Today I drove through the …….
And ……. I was driving home to you

And I know we weren't perfect but I've never felt this way for no one
And I just can't ….. how you could be so okay now that I'm gone
Guess you didn't ……. what you wrote in that song about me
'Cause you said forever, now I drive alone past your street

Take me to church
I'll worship like a dog at the ……. of your lies
I'll tell you my sins and you can …….. your knife
Offer me that deathless death
Good God, let me give you my life

LIVEWORKSHEETS

Red lights, stop signs

I still see your face in the white cars, front yards

Can't drive past the places we used to go to

'Cause I still f**** love you, babe (ooh, ooh, ooh, ooh)

……. we crossed

I still hear your voice in the traffic, we're laughing

Over all the noise

God, I'm so …….., know we're through

But I still f****** love you, babe (ooh, ooh, ooh, ooh)
