SEEING THE SIGHTS IN LONDON

This is the second day of my holiday in _____! I've never been here before, so I'm really excited! Yesterday we went to Buckingham _____ but we didn't see the _____! We also went to the London Eye. It was fun, but Mum thought it was a bit scary. Today we're shopping in _____, the biggest shop in the world! We came here by Tube, but we got a bit lost. The London Underground is really busy – and there are a lot of stations!

We've still got lots of things to do! We haven't been to Madame _____ or the Natural History Museum yet. I hope we'll have time to go there tomorrow because it's our last day!
