This week's video is all about cooking! Jamie Oliver, along with the assistance of his two valuable helpers, makes some delicious pancakes. Most of us love pancakes, but some don't! Do you have a favourite dish? And if so, which one? Have you ever cooked it? Make a short presentation about your favourite meal and write down the ingredients as well as the steps you followed to cook it.

Tip: You can also take a look at the list below to help you with your recipe!
