Wonderwall - Oasis

Today is gonna be the **night/day**
That **she's/they're** gonna throw it back to you
By now **you/they** should've somehow
Realized **where/what** you gotta do
I **don't/doesn't** believe that anybody
Feels/Falls the way I do about you now

Backbeat, the **earth/word** is on the street
That the **fire/sun** in your heart is out
We're/I'm sure you've heard it all before
But you **never/always** really had a doubt
I don't **believe/agree** that anybody
Feels the way I **make/do** about you now

And all the _____ we have to walk are winding
And all the _____ that lead us there are blinding
There are _____ things that I
Would like to say to you but I _____ know how

Lights
Don't
Roads
Many

Because _____
You're gonna be the one that _____ me
And after _____
You're my _____

Today **was/were** gonna be the day
But they'll never throw it back to **us/you**
By now **you/we** should've somehow
Realized/Noticed what you're not to do
I **can't/don't** believe that anybody
Feels/Thinks the way I do about you now
