Reasons for travel and money spent on travel

For British tourists, like most countries, _____ is the main reason for travel with _____% travelling for this reason. Visiting friends and_____, VFR is the next biggest _____ with _____%, BUSiness tourism is relatively_____ at _____%. When we look at the money spent on travel by British tourists, the order is slightly different. Leisure tourism accounts for _____% of_____, then business travel at 16%. Tourists and travellers who are visiting friends and relatives, not surprisingly perhaps, spend less money and this is only 11%,
