

The girl and her mum crossed the street & followed the man.	The man ordered a drink.
The girl and her mum went to a café.	The girl and her mother were looking for a taxi.
The mother took the umbrella.	The man offered them an umbrella in return for £1.
The man went into a pub.	The mother was proud – she made sure the man wasn't a trickster.
The girl went to the dentist.	A gentleman with an umbrella arrived.
They saw the man crossing the street in a hurry.	The man took an umbrella from a coat-rack.
It started to rain.	The man exchanged an umbrella for a pound again.
