Subject: My family

Hi,

I'm Jane. I'm eleven years old and I'm a student. I'm from Manchester, England. I'm tall and thin. I've got brown hair and blue eyes. My favourite subject is geography and my favourite sport is tennis.

My father is Tom and my mother is Susan. My father is a pilot. He sometimes flies to Australia, China and Japan. My mother is a reporter. She works at a TV station. She always talks to people and writes news stories. She can speak Japanese and Chinese. I've got a brother. His name is Jack. He's nine years old. He likes playing football.

That's all about me. Tell me about your family.

Bye-Bye.

Jane
