Read the text below carefully. Number the jumbled sentences according to the correct sequence. The first example has been done for you.

Samantha, Vanessa and Kevin are good friends even though they don't go to the same school. They live near to each other. Samantha is brave. Kevin is calm. Vanessa is scared of going to dark places and she is scared of mice.

One day, Samantha, Vanessa and Kevin are at Kevin's grandmother's house. They are in the attic. Vanessa wants to open the boxes. Kevin quickly stops her.

'This box is open. Look!' Vanessa shouts. Samantha, Vanessa and Kevin find a map with a tunnel. Samantha wants to go to the tunnel but Vanessa says it is late. They decide to go tomorrow.

The next day, the children go to the tunnel. The tunnel is very dark. Vanessa is scared and she wants to go back. Samantha encourages her to continue. Suddenly, Vanessa sees something on the floor of the tunnel. She sees three mice running and she shouts 'Ah! Mice! I hate mice!'

At this time, Kevin hears something and he opens the tunnel door, the children see Grandma's garden! They are happy to see Grandma.
