

"You're Beautiful" - James Blunt

My life brilliant

My life brilliant

My love pure

I saw an angel

Of that I' sure

She smiled at me on the subway

She was with another man

But I won't lose no sleep on that

'Cause I've got a plan

You beautiful. You beautiful

You beautiful, it true

I saw your face in a crowded place

And I don't know what to do

'Cause I'll never be with you

Yes, she caught my eye

As we walked on by

She could see from my face that I was

Flying high

And I don't think that I'll see her again

But we shared a moment that will last 'til the end

You beautiful. You beautiful

You beautiful, it true

I saw your face in a crowded place

And I don't know what to do

'Cause I'll never be with you

You beautiful. You beautiful

You beautiful, it true

There must be an angel with a smile on her face

When she thought up that I should be with you

But it time to face the truth

I will never be with you
