Saving Elephants – level 1

soldier - elephants - protect - important - transports

This news is about…….. Around 28,000 elephants die every year. A former……talks about **poaching**. She says that people call it 'poaching', but it is more like war. Somebody gives the poachers **arms**, and somebody …… the **ivory**.

Kenyan **rangers** try to …… the elephants. They have a new smartphone app. They can see ……. data. They can enter new data, too.

The app helps them. Since 2016, fewer elephants die. The drop is by 11 per cent.

Difficult words: **poaching** (killing animals and selling their bodies), **arms** (weapons), **ivory** (two of an elephant's very big horns), **ranger** (a keeper of a park; somebody who looks after the animals).
