Laura

I went to a party last night. I ate lots of pizza, cake, hot dog, barbeque, ice cream and fruits. I'm not feeling very well today.

Marry

I'm really happy today, because my volleyball team won the game last night. I'm the captain of the team, and I shouted a lot. Now I can't speak.

Ed

I often eat candy, chocolate, and other sweets. But I don't brush my teeth very often. Now I have problems with my teeth.

Angela

I was inside a plane for six hours with people that were sneezing and coughing all around me. So today I have got a runny nose and I am sneezing all the time.

LIVEWORKSHEETS

Harry

I moved to a new house yesterday. I carried boxes, suitcases, and bags all day. I was really tired last night, but I felt OK. Today my whole body hurts, especially my back.

Daniel

The weather is cold today, but I feel hot. My face and my body are hot.

Anna

Yesterday I had an examination. It was so hard.
So today I can't think. I have got terrible pain in my head.

Roger

Last night I ate Somtam, noodles, mangoes and oranges a lot. So in the morning I had to go to the toilet many times.

Dan

Yesterday I went swimming and got a lot of water in my ears. Now I have a lot of pain in my ears.

Sara

Two days ago I sat in a bus for many hours with the air condition turned up very high.
Now I am coughing all day.
