Read to the information and place the word in the correct place to complete Carla's description.

I have a good doctor . very

She's a easygoing person , and she laughs a lot . really

She listens and asks lots of questions . carefully

She makes you feel comfortable . pretty

I always feel relaxed when I'm at her office . extremely

My other doctor always arrived . late

What is the correct of an adverb when we use an adjective?

Is it different when we use verbs? How?

How do we know if we have to move the adverb one place after the verb?
