COLD WATER

JUSTIN BIEBER

Everybody gets high sometimes, you _____
What else can we _____ when we're feeling low?
So take a deep breath and let it _____
You shouldn't be drowning on your own
And if you _____ you're sinking, I will jump right over
Into cold, cold water for you
And although time may take us into _____ places
I will still _____ patient with you
And I hope you know
I won't let go
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight
Cause we all get lost _____, you know?
It's how we learn and how we _____
And I wanna lay with you 'til I'm old
You shouldn't be _____ on your own
And if you feel you're sinking, I will jump right over
Into cold, cold water for you
And although time may take us into different places
I will still be patient with you
And I hope you know
I won't let go
(I won't let go, no no, no no no no)
I'll be your lifeline tonight
I won't let go
I'll be your lifeline tonight
Come on, come on
Save me from my rocking boat
