It's the circle of

And it moved us

Through despair and

Through faith and

'Till we find our

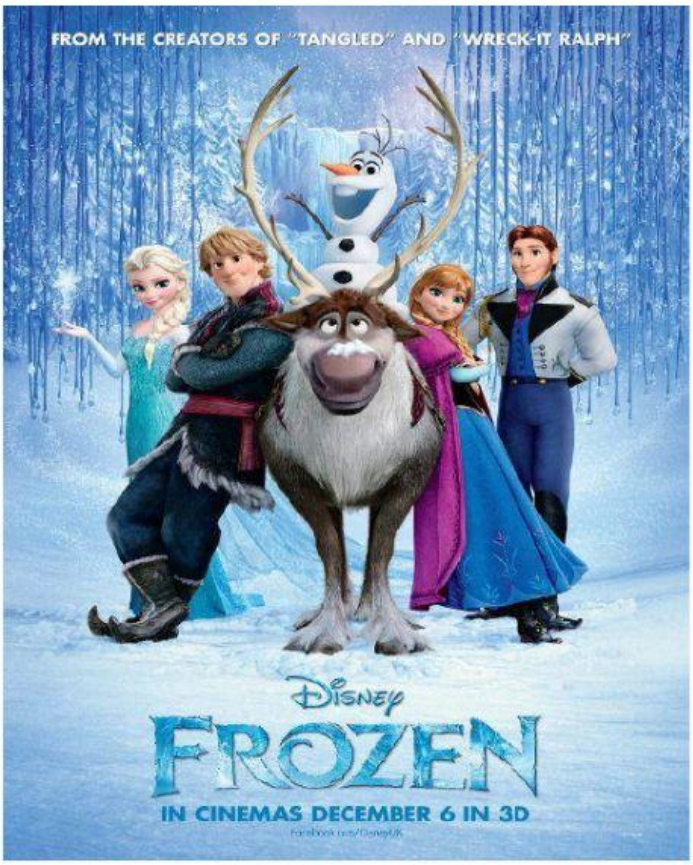
On the path

In the circle, the circle of

life **love** **unwinding** **life**

all **place** **hope**

LIVEWORKSHEETS



Let it go, let it

Can't hold it back

Let it go, let it

Turn away and slam the

I don't care what they're going to

Let the storm

The cold never bothered me

go anyway door say

anymore go rage on
