

Forever Young by One Direction

Let's dance in style, let's dance for a while
Heaven can wait we're only 1..... the skies
Hoping for the best but expecting the worst
Are you going to drop the bomb or not?

Let us die young or let us live 2.....
We don't have the power but we never say never
Sitting in a sandpit, life is a 3.....trip
The music's for the sad men

Forever young, I want to be forever young
Do you really want to live forever?
Forever, forever young

Some are like 4....., some are like the heat
Some are a melody and some are the beat
Sooner or later they all will be gone
Why don't they stay young

It's so hard to get 5.....without a cause
I don't want to perish like a fading horse
Youth's like diamonds in the sun
And diamonds are forever

*Forever young, I want to be forever young
Do you really want to live forever?
Forever, or never [x3]*

So many adventures couldn't happen 6.....
So many songs we forgot to play
So many 7..... swinging out of the blue
We let them come true

*Forever young, I want to be forever young
Do you really want to live forever?
Forever or never?...*
