Use Resources to Spell Words

A dictionary is a great place to look up words and find out how to spell them. The words in a dictionary are organized in alphabetical (ABC) order. At the top of each page are guide words that tell you the first and last word on that page.

MY TURN Look at the example guide words for each item below. Choose the word that belongs on that dictionary page. Circle the word you choose.

1. pea…promise

power sandwich put

2. alligator…apple

able art ant

3. behind…bottle

cattle bend button

4. desk…dog

dad dress dime
