KEEPING OUR HOMES SAFE DURING VACATIONS

There are many ways to keep your home safe when you are going on holiday.

First of all, you should make sure that your home is _____. Do not forget to switch on the alarm, lock all the windows, doors and gates. It will help you to avoid _____.

Secondly, you should not leave clues showing you are away on vacation. You need to _____ to your address and ensure there are no posting on the social media telling about your vacation. These will help you to avoid any attempt of _____.

Lastly, you should ask for _____that you trust. You can ask your neighbor to keep an eye on your house while you are away. You can also _____ telling that you are away on a holiday. These will help you to avoid _____ while you are away.

In conclusion, before you go on holiday, make sure you take as many precautions to keep your home safe from any attempt of robbery, burglary or break-ins. Our safety is our responsibilities.
