|---|---|---|---|---|---|---|
| forget | see | gorgeous | half | breath | utter | where |
| | want | be | do | cheek | turn | |

I've (never) **1**_____ you looking so lovely as you **2**_____ tonight
I've never seen you shine so bright
I've never seen so many men ask you if you **3**_____ to dance
They're looking for a little romance, given **4**_____ a chance
And I have never seen that dress you **5**_____ wearing
Or the highlights in your hair that catch your eyes
I have been blind
The lady in red is dancing with me, **6**_____ to **7**_____
There's nobody here, it's just you and me
It's **8**_____ I want to be
But I hardly know this beauty by my side
I'll never **9**_____ the way you look tonight
I've never seen you looking so **10**_____ as you did tonight
I've never seen you shine so bright, you **11**_____ amazing
I've never seen so many people want to be there by your side
And when you **12**_____ to me and smiled, it took my **13**_____ away
And I have never had such a feeling
Such a feeling of complete and **14**_____ love, as I do tonight
The lady in red is dancing with me, **15**_____ to **16**_____
There's nobody here, it's just you and me
It's where I want to be
But I hardly know this beauty by my side
I'll never **17**_____ the way you look tonight
I never will **18**_____ the way you look tonight
The lady in red, the lady in red
The lady in red, my lady in red
