NAME:_____ DATE:_____

NATURE RESERVES

1. Here is a list of nature reserves on Grand Cayman:

a. Cayman Turtle Centre
b. Blue Iguana Nature Reserve
c. Starfish Point
d. Queen Elizabeth II Botanic Park
e. Mangrove Swamp

i. Which of these places have you been?

Name it or them here: _____

ii. Choose the most memorable one and write four sentences about your experience there. Include the plants and animals you saw and state ways that you could tell that they were being taken care of.

2. You have decided to open your own Nature Reserve. Name your Nature Reserve and state what type of animals or plants that you plan to protect, why you want to protect them and THREE rules that you intend to have at your facility to ensure the safety of these organisms.

Name of Nature Reserve:_____

Animals or Plants at your reserve:_____

Reason for Protecting them:_____

Three rules at your facility: I _____

II_____

III _____

LIVEWORKSHEETS

3. These pictures show activity in Protected Areas because they show:

HEALTHY ANIMALS | **BABIES WITH PARENTS** | **ENCLOSED SAFE AREA** | **PERSONS CARING FOR THEM**

4. These animals and plants are not in Protected Areas because they show:

HUNTERS ARE KILLING THEM | **TREES ARE RAPIDLY CUT DOWN** | **STARVING ANIMALS** | **ANIMALS BECOMING EXTINCT**
