Today I'm _ _ _ _ _ because it's my birthday! Early this morning I woke up and I was _ _ _ _ _ _ _ _ _ because my mum made me a present: a lovely pet, my dog Fuffy!

It was so _ _ _ _ _ _ at the beginning because it didn't know us, but I fed it and I now it is less _ _ _ _ _ _ _.

At eight o'clock I went to school: the travel to school has been too long and I was _ _ _ _ _, but when I arrived at school I have been so _ _ _ _ _ _ and _ _ _ _ _ _ _ because I played with my friends.

When I come back home, Fuffy was so _ _ _, probably because I was away for too long, so I made him lots of cuddles.

It has been a wonderful day!
