5 34

You will hear Khalidah talking about the patients, doctors and nurses in the Accident and Emergency Unit. Write a letter a–f next to each group of people. You will not use all the options.

What does Khalidah say about each group of people?

- **a** see the patients after they have talked to the nurse
- **b** have had accidents in the work place
- **c** discover what is wrong with the patients
- **d** look after patients who are out of danger
- **e** arrange for patients to go home in an ambulance
- **f** have had accidents in cars or at home

1 patients .....

2 doctors .....

3 nurses .....
