Story

Today was a busy day. I had to learn English online. After class, I had to do my homework. Tomorrow, I have to learn online again. I wonder if I will have to do homework again. My friend said, she has to study online too. She has to do homework every day. Tomorrow, we can't play online because she has to do homework again. Do you have to study online?

Today was a busy day. I _____ learn English online. After class, I _____ do my homework. Tomorrow, I _____ learn online again. I wonder if I will _____ do homework again. My friend said, she _____ study online too. She _____ do homework every day. Tomorrow, we can't play online because she _____ do homework again. Do you _____ study online?

had to	had to	have to
have to	has to	has to
has to	have to
