We're good

_____ on an island
Even when you're close
_____ take the silence
'd rather be alone
I think _____ pretty plain and simple
We gave it all we could
It's time I wave goodbye from the window
Let's end this _____ we should and say we're good

( )Let's end it like we should and say we're good
( )So let's at least agree to go our separate ways
( )Not gonna judge you when you're with somebody else
( )We're not meant to be like sleeping and cocaine
( )As long as you swear you won't be pissed when I do it myself

No need to hide it
Go _____ what you _____
This won't be a burden if we both _____ hold a grudge
I think it's pretty plain and simple
We gave it all we could
window / I / goodbye / time / I / wave / from / the / it's
_____
Let's end this like we should and say we're good

Chorus

me / this / holding / Now / against / you're
_____
Like I knew you would
I'm _____ my best to make this easy
So don't _____ me that look, just say we're good

Chorus
