Children's Rights And Responsibilities

Can you match the rights to the responsibilities?

Children have the right...
to be protected from conflict, cruelty, exploitation and neglect...

and the responsibility...
to learn as much as they can and help others to learn.

Children have the right...
to a clean environment, at home, at school or wherever they are...

and the responsibility...
not to bully or harm each other.

Children have the right...
to be educated...

and the responsibility...
to do what they can to look after their environment.

Children have the right...
to be heard...

and the responsibility...
to take care of themselves.

Children have the right...
to proper medical care...

and the responsibility...
to listen to other people.
