Name: _____ Class 2 __ Date: _____

Identification of Introduction/ Facts/ Conclusion

Read the sentences carefully and drag and drop them in the correct columns of introduction, fact and conclusion.

Insects can be found almost everywhere in the world.	So, next time you're outdoors, keep your eyes open for insects!	Watch out where you're walking. You could possibly step on an insect!
Next time you're at the store, you should buy yourself a pack of gum!	Pop! Pop! Pop! That's the sound of a child having fun blowing bubbles in their gum.	Gum has many different flavours. Some are minty and others are fruity.
I know how to tie my shoe. Do you?	First, you tie the strings together. Next, you make a bunny ear with one string.	Now, you have successfully tied your shoe!
