farming

Hi kids!
Today I am going to tell you about our crops and our diet.

Do you remember that I told you that our River flooded? When it went down it was time for us to start and we had to collect the crops before it started to flood again!

We grew wheat to make and we also grew barley which we used to make .
To make cloth we planted , which is a plant with blue flowers.

We also had fruit in our diet and vegetables too. For example, we ate onions and dates and .

As I was a pharaoh I could eat . It tasted delicious!

Cleopatra.
