Year 4 students go on a trip to a plant nursery. They measured the height of each potted plant in millimetres.

Help the students by

a) writing the height of each plant in cm.
b) rounding the height of each plant to the nearest centimeter.

One has been done for you

| | | | |
|---|---|---|---|
| Height in mm | 163 mm | 158mm | 132mm |
| Converted | 16 cm 3mm | ____ cm ____ mm | ____ cm _____ mm |
| Rounding off (cm) | 16 cm | _____ cm | _____ cm |

| | | | |
|---|---|---|---|
| Height in mm | 204 mm | 314 mm | 250 mm |
| Converted | ____ cm ____ mm | ____ cm ____ mm | ____ cm ____ mm |
| Rounding off (cm) | _____ cm | _____ cm | _____ cm |

LIVEWORKSHEETS

| | | | |
|---|---|---|---|
| Height in mm | 193 mm | 289 mm | 272 mm |
| Converted | ____ cm ____ mm | ____ cm ____ mm | ____ cm ____ mm |
| Rounding off (cm) | _____ cm | _____ cm | _____ cm |

| | | | |
|---|---|---|---|
| Height in mm | 173 mm | 316 mm | 297 mm |
| Converted | ____ cm ____ mm | ____ cm ____ mm | ____ cm ____ mm |
| Rounding off (cm) | _____ cm | _____ cm | _____ cm |

Arrange the following heights from smallest to largest.

| | | | |
|---|---|---|---|
| 493mm | 34cm 2mm | 348mm | 33cm 2mm |

_____, _____, _____, _____
