II. ***Read the following passage and do the tasks below.***

English plays an important role in everyday life in India. In India with innumerable regional languages in different states, English serves as the common language in the country. Most office-goers know English, but many of them do not know other languages besides their mother-tongue or regional language. Thus, they communicate with each other in English for their everyday work.

The importance of English in education and student's lives cannot be denied. English remains a major instruction in schools. There are large numbers of books that are written in the English language. English is an important language for inter-state communications. Modem India has many large states. People of each state converse in their own language and often cannot speak or understand the regional language of other people. In such cases, English becomes the link between these people. So, we cannot deny the importance of English in modern India.
