# Grade 6 Parts of a Paragraph Worksheet

**Read the following paragraph and label the parts.**

**Do You Eat Fungi?**

The yummy pizza topping we know as **mushrooms** are actually members of the **fungi kingdom**. People often assume that mushrooms are vegetables, but unlike plants, mushrooms and other types of fungi do not make food for themselves. There are many types of mushrooms; some are safe to be eaten and are used for cooking in many countries. Other mushrooms, however, are poisonous and can kill people, or make them very sick if they are eaten. The act of looking for mushrooms is called "mushrooming", but people should avoid eating random mushrooms they find in the wild. On your next visit to the food store, don't forget to look at the many different varieties of mushrooms on sale; you may even decide to buy or try some!
