What Billie said about the song

*"We [Billie and her brother, Finneas] started
writing it because I literally had a dream that I
killed myself and nobody cared and all of my
best friends and people that I worked with
basically came out in public and said, like, 'Oh,
we never liked her.' In the dream, the fans didn't
care. The internet shit on me for killing myself, all
this stuff, and it really did <u>mess me up</u>."*
