SUMMER NIGHTS

Summer loving _____ (have) me a blast
Summer loving _____ (happen) so fast
I _____ (meet) a girl crazy for me
Met a boy cute as can be
Summer days drifting away, to, oh, oh, the summer nights

She _____ (swim) by me, she got a cramp
He _____ (run) by me, got my suit damp
I _____ (save) her life, she nearly (drown)
He _____ (show) off, splashing around
Summer sun, something's (begin), but, oh, oh, the summer nights

_____ (Take) her bowling in the arcade
We _____ (go) strolling, _____ (drink) lemonade
We _____ (make) out under the dock
We _____ (stay) out 'till ten o'clock
Summer fling, don't mean a thing, but, oh, oh, the summer nights

He _____ (get) friendly, holding my hand
She _____ (get) friendly down in the sand
He _____ (be) sweet, just turned eighteen
Well, she _____ (be) good, you know what I mean
Summer heat, boy and girl meet, but, oh, oh, the summer nights

It _____ (turn) colder, that's where it ends
So I _____ (tell) her we'd still be friends
Then we _____ (make) our true love vow
Wonder what she's doing now
Summer dreams ripped at the seams, but, oh, those summer nights
