In February we usually have a special event here in Bahrain which is " **Bahrain food festival**" where different cultures meet in one place in Bahrain bay, the avenues.

In this festival, you can see all different, urban and unique restaurants and enjoy a mouth-watering experience. It's located in Bahrain bay, the avenues, the perfect destination for a hangout with your loved ones. Also, you can enjoy a meal while taking a sea trip in our fancy sea taxi. Moreover, If you are a sweet-tooth, you can choose your favorite deserts and taste new ones. Furthermore, don't forget to watch the fireworks at 10:00 pm and let your heart glow with happiness that you and your loved ones deserve.

At last, before you leave, make sure to buy some souvenirs from the gifts and toys section and enjoy your day.
