Hello, Joseph,

I hope that you are well. Many thanks for your quick turnaround since we tested the product with a small group of consumers last month. The features your team added to the initial design are perfect, particularly the optional footrests. We were also impressed with the overall style and noticed how well the seats fit in with the contemporary look of our air carrier interiors.

By the way, the Tokyo—Osaka service route will go operational at the end of April. I'll send you the details next week so that you can post them on your Web site.

Thanks again,

Yoshi

Dear Ms. Goncalves

As owner of Sabatini Leather Goods, I would like to express interest in a short-term leasing opportunity at La Gardina Mall.

Sabatini Leather Goods is a small company that manufactures and sells souvenir handbags and wallets. Our high-quality leather products are imprinted with the name of the tourist destination where they are sold. I have attached some images of our best-selling items from our most recent temporary shop in Glastonbury, where we had our best sales performance in the company's history. We have sold our products in 24 different locations so far, all with great success.

We have been looking for a place in Bay Shore for a while and La Gardina Mall seems to be a good fit. We would like a space of about 15 square meters for a three-month period over the summer tourism season. Could you please call me at 555-0125 so that we can discuss this matter further?

Respectfully,

Marco Sabatini
