Tomorrow's technology: What will robots do for us?

Audio

Select the correct uses of future robots according to the video:

1. Reprehending criminals.
2. Assisting doctors in operations.
3. Fighting wars.
4. Cleaning your house.
5. Being teachers to children.

Complete each sentence with one word that you hear in the audio:

dangerous | enter | fight | medical | education | teachers | cleaner

1. In the future, most people will have a robot _____ in their homes.
2. Computers will be important in _____, but robots won't be very good _____.
3. I predict that there will be very small robots that can _____ our bodies and take care of _____ problems.
4. Robots who _____ wars or help the police will possibly be _____ to people,

Select the right topic that each quote is talking about:

1.Robot Cleaner | 2.Robots in Education | 3.Robots in medicine | 4.Robot Violence

1. "These small robots will probably be very expensive at first, but after 10 years, a tiny robot doctor will be normal."
2. "That's a good question."
3. "but remember that people control robots."
4. "This is happening right now, but it's expensive."
