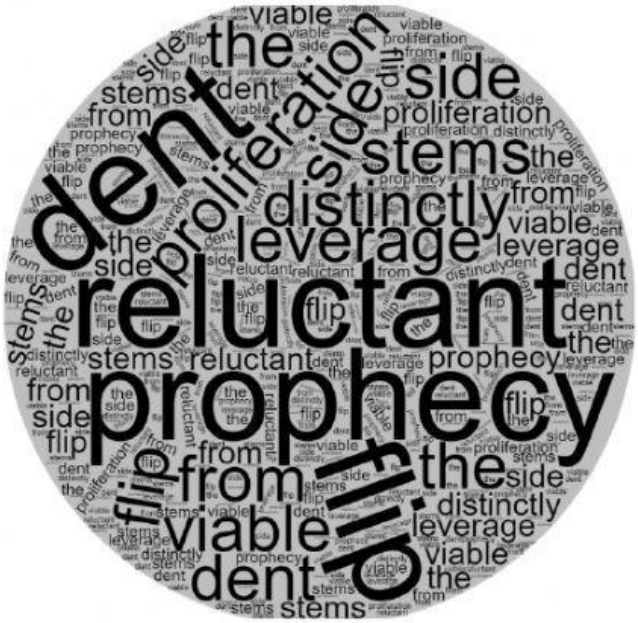
HOW WE WORK

The salary ignorance that keeps many workers underpaid



1. After the accident his father was r…….. to let him keep the car.
2. But consider, too, the f…….. side: about half of all men find themselves in the same situation.
3. The fact that he was chosen as president was like a self - fulfilling p…….. .
4. Power struggles at the top of the company have d…….. its confidence.
5. What you end up with in the consumer's world, then, is a p…….. of products.
6. It was a clear day and one can see every building in the town d…….. .
7. You`ve learned how to get l…….. . over someone, haven't you?
