Love story

Taylor Swift

We both young when I first you

I close my eyes, and the flashback starts

I'm standing there

On a balcony in summer air

See the lights, see the party, the ball gowns

See you make your way through the crowd

And say, "Hello". Little did I know

That you Romeo, you pebbles

And my daddy , "Stay away from Juliet"

And I on the staircase

Begging you, "Please, don't go!" and I

Chorus

"Romeo, take me somewhere we can be alone

I'll be waiting, all there's left to do is run

You'll be the prince and I'll be the princess

It's a love story baby just say yes"

So I sneak out to the garden to see you

We keep quiet, 'cause we're dead if they

So close your eyes

Escape this town for a little while

'Cause you Romeo, I a scarlet letter

And my daddy , "Stay away from Juliet"

But you everything to me

I you "Please, don't go!" and I

Repeat chorus

Romeo, save me, they're trying to tell me how to feel

This love is difficult, but it's real

Don't be afraid, we'll make it out of this mess

It's a love story baby just say "Yes"

I tired of waiting

Wondering if you were ever coming around

My faith in you

When I you on the outskirts of town, and I

“Romeo, save me. I've been feeling so alone.

I keep waiting for you but you never come.

Is this in my head? I don't know what to think”

He to the ground and out a ring

And "Marry me, Juliet.

You'll never have to be alone. I love you and that's all I really know

I to your dad, go pick out a white dress

It's a love story baby just say 'Yes'"

Because we both young when I first you.
