Questions 13-16 based on the following text.

This new express train will begin service between Riverdale and Mayfield on October 24. The trip takes five hours on the older, slower train. On the express train it will take only three hours. The express train will have larger, more comfortable seats, and there will be free food for the passengers. There will be two express trains a day between Riverdale and Mayfield. There will also be four regular trains. And be happy with these regular trains because the tickets are cheaper.

13. This text is in the form of ...
(A) a notice
(B) a traffic sign
(C) a memo
(D) an advertisement

14. Why should people be happy with the regular trains?
(A) They are more comfortable
(B) The tickets are inexpensive
(C) The food tastes better
(D) The seats are larger

15. What is not true about the new express train?
(A) It will begin service on October 24
(B) Passengers have to pay for food
(C) It is faster than the old one
(D) It has comfortable seat

16. The text has a function to ...
(A) promote the regular trains only
(B) to persuade people to buy the train
(C) to offer an express train
(D) to attract people with the train services

The text is for questions 17 and 18.
