Passover/Six13

This that age old

Passover tale that's retold

This is what we listen to

While eatin' through those matzah pieces

Climbin, tilin'

We worked hard but prayed to G-d

And he freed us all, so get ready

It's pesach! (Oh man)

There was a burning bush on fire, man

It's pesach(Big fans)

Cause the pharoah drew God's ire, man

It's pesach(Change pans)

So he tooks us out of Mitz-ra-yim
