4 Read the text. Then read the sentences. Complete each sentence with one word from the text. (5 points)

Pirin National Park is one of the oldest parks in Bulgaria. It is an area of high mountains and beautiful lakes. A lot of people go walking or climbing in the park in summer, and if you are there in winter, you'll find good places to ski or snowboard. The park is home to many wild animals, and if you're walking in the mountains, you'll probably see an eagle or a bear. About half of the park is forest, and some of the trees there are very tall. The most famous tree, called Baikushev's Pine, is 26 metres tall and 1,300 years old!

1 As well as mountains, there are _____ and forests in Pirin National Park.

2 Going for long walks and _____ are popular activities in the park in the warmer months.

3 Bring your skis or _____ if you come to the park in winter.

4 In the mountains, you sometimes see an eagle, a _____ or other wild animals.
